

## Idlewild Winter Weather Plan

1. Courtney Cheek, CMC Landscaping, will plow the neighborhood if we anticipate >6” (inches). This can be completed once Reasonover Road is passable.
2. Joe will contact Courtney Cheek to confirm plans to plow. POA members will be advised via email of snow plowing plans. Property owners requesting personal assistance from Courtney should contact him directly.  
Property owners should personally call/text/email Courtney requesting any personal driveway scrapping assistance. This is a personal charge and not an expense paid by the POA.  
(Courtney Cheek, CMC Landscaping, 828.273.7029 or [cmclandscaping@live.com](mailto:cmclandscaping@live.com))
3. Idlewild POA will then salt the street, as needed, right after the plowing, so that when there is melting it will not turn to ice. Will Murr (a local handyman), utilizes a seed spreader to help us spread the salt onto our roads.
